...how hot do you like it?

Over 250 restaurants serve a wide range of international cuisine, from Mexican to Italian, French to Argentine, Austrian to Japanese, in settings ranging from funky beach palapas to elegant candlelit castles.

Connoisseurs of fine dining are in paradise each November, during Vallarta's annual Gourmet Dining Festival.

This event, which pairs local chefs with internationally renowned talents, has elevated Vallarta's reputation as a culinary capital of Mexico.

*Provecho!*

When it comes to nightlife, Vallarta does it "con gusto"

Whether the call is for sunset margaritas at a quiet cliffside terrace, a twilight sailboat cruise with cocktails, or cold cervezas at a boisterous bar, the wide variety of choices means Vallarta dazzles, day or night!

Looking for live music?

From sultry jazz to steamy salsa, or reggae to rock, Vallarta's selection of live music clubs is unsurpassed among Mexican resorts.

Save one evening to take in a traditional Mexican Fiesta, complete with folkloric dancing, games, dinner buffet and fireworks - it's a true testament to the Mexican art of the party!
